

An aerial photograph of a residential street intersection. The streets are labeled 'N 102nd St' (vertical on the left) and 'W North Ave' (horizontal at the bottom). A red 'X' is drawn on the grassy median of W North Ave, indicating a restricted area. Blue arrows show traffic flow: two arrows point east on W North Ave, one arrow points north on N 102nd St, and a large curved arrow indicates a right-turn lane from W North Ave onto a street to the right. A small blue square with a white 'C' is located on the north side of W North Ave, near N 102nd St. The area is filled with houses, trees, and a clear sky.
